**RE: Parents' use of social media**

Dear parents,

**Rosecroft Primary school** understands and appreciates the benefits of social media; however, whilst there are many positive benefits to using social media, there may also be some significant negative impacts, such as cyber bullying, which the school does not tolerate.

In order for us to set the best example possible to pupils at **Rosecroft Primary School**, we would like to invite parents to do the same. The school urges parents to review our code of conduct, which outlines how to act when using social media.

Should **Rosecroft Primary School** be subject to any online abuse, we will take the appropriate action, which may include considering our legal options to deal with any defamatory or libellous activity on social media.

If any parents do have any concerns to make, or would like to discuss this subject further, please contact the school via the school office.

Kind regards,
