## Welcome

Welcome to our first literacy Newsletter! We are very excited and proud to be Rosecroft Primary School's Literacy Leads. We have lots of plans to enrich children's and adults' experiences with reading and writing and we look forward to sharing them with you over time.

## Help us fill our library with high quality books

We want a lifelong love of reading to be at the heart of our school. Along with Mrs Reeve, Miss Allen & Mrs Rush, we have recently spent time improving our school library by:

- Making sure it has the best possible books for our amazing learners
- Creating engaging displays about books and authors
- Adapting the layout to create a welcoming environment for browsing and reading

During this time, we removed out-of-date and worn books and are beginning to replace them with books from top selling authors and illustrators to which your children can relate. We want to ensure your child loves visiting the school library and to help them realise that there are many incredible experiences to be had here.

A number of parents have asked us if they can buy books for the school and how to go about this. If you think you would be able to help us to continue improving our selection of books by donating a book from our Amazon wish list, then we would be extremely grateful. With your help we can fill our library even quicker with incredible, awe-inspiring books!

Please visit: <https://tinyurl.com/Rosecroft-Amazon-wishlist>. If you wish to dedicate any purchases to a child or someone special to you, please let us know and we will record this dedication in any books you have purchased.

## Have Your Say:

Please encourage your children to complete this questionnaire to share their thoughts about English at Rosecroft Primary School. This will help us to make improvements for the future!

## Extreme Reading:

Please email in photos of you reading in unusual places or whilst completing exciting tasks. We will be adding these to our new 'Extreme Reading' board in the library. Photos can be sent to [office@rosecroft.school](mailto:office@rosecroft.school).
