

Consultation for the Federation of the Governing Boards
of
Attleborough Primary School and
Rosecroft Primary and Nursery School

28th May, 2021

Dear Stakeholder,

As you will know, the Governing Boards of Attleborough Primary School and Rosecroft Primary and Nursery have consulted with its stakeholders over their proposal to federate.

During the last year we, as schools, have had to adapt to the ever-changing circumstances presented by the coronavirus epidemic. This has led to a very successful collaboration between our respective Senior Leadership Teams, all school staff and our pupils. We believe that this has helped both schools in ensuring that the children attending both schools have continued to receive the best possible teaching and support during this difficult year.

Both Governing Boards recognise the benefits of the respective staff teams working in partnership to deliver to **all** children attending **either** school a consistently high standard of education and opportunity. Having considered all of the stakeholder responses received, we are delighted to tell you that the Boards have agreed to federate. As such, the new federation will come into existence from the 1st September 2021.

We would like to thank you, again, for your attendance at the meetings and the feedback you have given via the Response Forms. We look forward to a very positive future for the children of Attleborough.

Yours sincerely,

Will Betts
Chair of Governors
Attleborough Primary School
